"The feedback I received from the Learning & Development team was always so kind and helpful. I never felt judged for asking dumb questions, and they were always so thorough in giving me feedback. They checked in frequently to make sure I had everything I needed, and I truly felt so supported every day during this program."

-ANNA COURCY (DAL)

"The Residency program is great for those who benefit from a structured and hands-on mentorship. I thrive on structure, and having the support of the whole L&D team allowed me to feel safe to make mistakes. This program gave me a safe space to learn at my own pace and ask questions without the fear of harming a real client or being on my own."

-ERIN CONGHUYEN (SJO)
